Principal’s Report

Dear Parents/Caregivers,

It has been a busy start to Term 3 and I cannot believe how quickly each week is passing by. I have been into classrooms regularly checking on student’s progress and talking with students re classwork. I have had many proud moments where I have seen children working hard on tasks and producing work of a very high standard. I have also witnessed, whilst out and about at playtime, children doing kind deeds for others when they think no-one is watching. It has been wonderful to see and hear the Behavioural focus for the week being spoken about, both in the classroom and in the playground.

The Behavioural Expectation focus for Week 3, Term 3 at Capella State School is based on the premise of Being Responsible In Class.

This includes:

* I will organise my belongings ready to learn
* I will put effort into keeping my work neat and tidy
* I will be the boss of my body and my brain
* I will follow the class rules
* I will lead by example and always try my best

The focus for Week 4, Term 3 is Being Responsible Before And After School.

This includes:

* I will arrive at school ready to begin learning at 8.50am
* I will be an appropriate role model at all times
* I will behave appropriately before, during and after school
* I will be prompt when leaving class to report to the bus line

Teachers shall be discussing these Behavioural Expectations with students in the classroom and it will also be addressed each week on parade. The process of following up with students after assembly is a vital link in ensuring that the children are aware of the focus and what that entails. Parents can assist by talking with their children re what the Behavioural Expectation is for the week (please check in after assembly on a Monday) and then revisit what role your child/children play in assuring a successful outcome.
