#### From the Principals Desk.....

This week our students and teachers are busy preparing their class tributes for our ANZAC ceremony which will be held at 2:00pm this Friday 22<sup>nd</sup> of April here at Capella State School. Class tributes will give us cause to remember the many servicemen and women who have served our country here and overseas in military roles. Thank you to Mrs Dowling, Mrs Bachmann and Dot O'Dell for coordinating this activity. I encourage students to also participate with their parents in the town ceremony on Monday. Remember to wear full Capella State School uniform and bring a water bottle. Students are asked to assemble at the Amaroo Park at 9:00am to take part in the ANZAC march at 9:30am.

This term students will sit the NAPLAN test on May 10, 11 and 12. Please put these dates on your calendar and plan for no interruptions to attendance during this time. While the year 3 and 5 students will be marked externally and reports will come back to the school we will support the year 2, 4 and 6 students to also sit similar tests to provide them with practice and the school with a complete picture of student achievement through this external tool. This performance data gives us up to date information on how successful our implementation of the Australian Curriculum is in our teaching programs and informs where changes in programming and planning may need to occur.

We continue to focus on the YOU CAN DO IT keys through classroom and playground activity and though our school goals may not always use the exact language they are based on ORGANISATION, GETTING ALONG, PERSISTENCE, RESILIENCE, CONFIDENCE. We are placing a greater emphasis on the positive actions we see in our student body through GOTCHA awards and Mrs Dowling will celebrate these every week on parade.

Cheers

Amanda Mobbs

Acting Principal

# Students of the Week

## P&C Post

A BIG thank-you for all the help at our working bee on Friday! It was incredible to see such a big difference made in the school grounds in just a few hours. Special thanks to those on the chainsaws and whipper snippers, and to the band of prep parents and preppies who worked on our Huntley St entrance gardens. I was also highly impressed with the tireless hard work from our students on the afternoon – you were all a HUGE help. Thankyou.

Over the weekend the P&C catered for the David Dunn cutting event at the showgrounds. Thank-you to all my lovely helpers who helped to make this event a success. It was a long weekend but worth it to see the money go directly to our students. I was really blown away by the willingness of everyone I asked to help. With everyone doing a little bit, it means the whole task is spread evenly and not such a burden. Thanks to everyone – I had fun and I hope you did too!

Thanks also for supporting our special tuckshop day last term. I'm glad the kids loved the bunny cupcakes! Thanks Lorraine for your super organisation.

Our AGM was held last month and I'd like to thank members of the out-going committee for their dedication and hard work last year. We achieved some excellent results last year and it was largely due to you all. Thanks to Janice Stumer (vice-president), Kara Kettle (secretary), Donna Kemp (minutes secretary), and Carla Langtry (tuckshop treasurer). The 2016 executive committee is:

President – Bev Cowan

Vice-President – Phil Young

Secretary – Naomi Randles

Treasurer – Lara Brown

Tuckshop Treasurer – Helen Davis

This month's P&C meeting is **tonight** Tuesday 19<sup>th</sup> April at 7pm in the staff room. All welcome. It was great to have new faces last month and would love to see yours tonight!

Keep your eyes open for pie drive forms coming soon! They are the delicious flaky-pastry ones from Fairbairn Bakery – great to stock your freezer for winter.

Also this term, another special tuckshop day and don't forget to come and enjoy the school Anzac Parade this Friday 2pm.

## Year 4 News.....

Welcome back to term 2 in year 4! We were fortunate enough to spend the last bit of term 1 on camp at Kinchant Dam. We had such a wonderful time working together in teams and completing various activities with some wonderful parent volunteers. This term is a busy one, with traditional folktales, biology and convicts being among some of our topics of interest. We are challenging ourselves through personal goals about our learning and focusing on being a 'good' reader each and every night, along with some timetables practise. Although it is a busy term, we are excited about times ahead and all of the great learning opportunities we will be presented with, within our school and wider community.

## School Sores

Since returning from holidays we have had several cases of school sores reported within our school. Below is some information on the appropriate action to be taken should your child develop school sores.

Impetigo (school sores) is a highly contagious type of skin infection caused by Staphylococcus or Streptococcus bacteria.

The infection is characterised by inflamed blisters that pop, weep and form a crust.

Treatment options include antibiotic cream. Ointment, antibiotic syrup or tablets.

A child with school sores should be kept home from school until appropriate treatment has begun (at least 24 hours), and the sores on exposed areas are covered with a waterproof dressing.

Practice good personal hygiene.

## Messages

- **Instrumental students** – due to all of the missed Mondays this term Mrs Hilder has negotiated with Capella State High School and Tieri State School so that we have an instrumental day on Tuesday May 3. Students are to bring their instruments this day for lessons as usual.
- When ordering book club on The Loop, please make sure that you click on the **Capella State School P&C** link not the Capella State School one.

## Capella State School ANZAC Ceremony

On Friday 22nd April at 1:45pm, we will be holding our school's Anzac Ceremony. The children come together to remember and honour the soldiers who have fought and are still fighting for our country and for the freedom of others around the world. We would like to invite all interested parents to attend.

Representatives from each class lay a wreath at our cenotaph and parents are also invited to do the same if they wish to honour the fallen. We ask that if possible parents send in fresh flowers/foilage from their gardens on Friday morning, so that class wreath's can be made.

At the ceremony each class performs a short item. As well as this the ANZAC choir performs. On ANZAC Day itself, we encourage our students to take part in the parade which leaves from Amaroo Park and proceeds to the town cenotaph and then attend the ceremony at 10.00 am.

### **From the Prep class.....**

Welcome back! I hope all families enjoyed the holiday and had a relaxing break with friends and family. The Prep children have settled back into their school routine and we are anticipating lots of fun and many learning opportunities in term 2. Throughout the term the children will be busy learning about how families commemorate important events in History and in Science they will explore the different materials objects are made from. They will be presenting an oral retell of a story in English and will be competently counting and adding in Mathematics.
