#### From the Principals Desk.....

Unfortunately I am finishing at Capella State School a bit earlier than originally expected. As of Wednesday the 1st of June, Trish Willmot from St Bernard State School south of Brisbane will continue in the Acting Principal role. An appointment to the permanent Principal position will take longer to fill than previously thought with the Acting role continuing into term 3.

Thank you to the staff, students and parent community of Capella State School for your friendly approach and support for myself and for the school itself. I look forward to seeing you around in Emerald sometime in the future.

Cheers  
Amanda Mobbs,  
Acting Principal.

## Year 2M

Hi all,

We have reached the last 4 weeks of Term 2 and 2M has been very busy. During this term, 2M students have been exploring poetry in English. We have been deconstructing our favourite nursery rhymes and a variety of 'entertaining' poems (we think these poems are quiet silly and funny). Students are working extremely hard to change these nursery rhymes to make them modern and entertaining for their audience. In Mathematics, we are learning to tell the time on analogue and digital clocks, order and count Australian coins and notes and continue number patterns.

Last Friday, 2M invited their parents and family members to a 'poetry morning', where they showcased their marvellous nursery rhymes. The students presented their nursery rhymes just like 'professional' poets. A fantastic effort was shown by all students. To wrap up our poetry morning, we shared a delicious morning tea- where we all ate too much food. A big **THANK YOU** to all of the parents and family members who came to support the students. It was a wonderful morning to display what we have been learning in our classroom.

Have a wonderful week,

Miss McMahon
