CODE OF BEHAVIOUR

We are a Positive Behaviour for Learning School

BE A LEARNER

Our school community members strive to do their best at all times. We understand that learning is life long and can be gathered from both inside and outside the classroom. At Capella State School we ensure that all students are enabled to learn and succeed.

BE RESPECTFUL

Our school community members treat each other with courtesy and consideration at all times, being mindful of the rights and differing responsibilities of each person. Such courtesy is reflected in both action and communication. We show respect for ourselves and others as well as the rights and feelings of each person. We demonstrate respect for personal belongings as well as those of others.

BE RESPONSIBLE

School community members endeavour at all times to make appropriate behaviour choices and accept accountability for the outcomes of their actions. School community members are mindful of the fact that the primary aim of schooling is student learning. Each member actively fulfils their role in this process to the best of their ability. Each person contributes and demonstrates an interest in the life and activities of this school.

BE SAFE

Our school community members act in a responsible manner that presents no danger to the physical, social or emotional security of themselves or others. We safely use equipment as appropriate, move safely through the school environment, resolve conflicts peacefully without anger and acknowledge the personal space of others.

RESPONSIBLE BEHAVIOUR PLAN ACKNOWLEDGEMENT

Capella State School is a Positive Behaviour for Learning School. The Capella State School's Plan for Responsible Behaviour is available to read on our website. It clearly outlines the processes we will follow to ensure your child acts responsibly at this school. Please read the information carefully, as it explains courses of action open to us to acknowledge their good behaviour, as well as corrective measures to guide them back to responsible behaviour. It has been developed by staff and is supported by our P & C Association.

DRESS CODE ACKNOWLEDGEMENT

Upon enrolling at Capella State School, parents acknowledge and comply with our uniform policy. Children at Capella State School wear the school uniform. The wearing of our uniform contributes greatly to the development of a positive school image, a pleasant tone and a growing level of school spirit/morale. Maroon shorts worn by girls and boys must be an acceptable length for school wear. Our school shirt is to be worn. Children who arrive at school out of school uniform may be requested to wear a school shirt supplied by the school. This is to be returned clean the following day.

Yes No Are you aware that by enrolling your child at our school, they are expected to wear our school uniform?

Yes No I understand that should my child attend school out of uniform, without a valid reason, they may be required to wear a shirt provided by the school. I acknowledge that this shirt will be returned clean the next day.
