Dear Parents/Carers,

I write to remind parents that we have some students in the school who suffer from severe food allergies.

At Capella State School we strongly encourage parents to consider NOT sending the following food items to school:

- Nuts
- Nut products
- Tomato

I understand that packing lunches is an onerous task however we would like you to consider the health of all our students at the school.

Thank-you for your co-operation.

Regards

Trish Wilmott
