The ABC's of Our School Tuckshop

- Our tuckshop operates every Friday
 - **All orders, *including orders for ice-blocks***, are to be written on a tuckshop bag, marked clearly with the child's name, class and class teacher (it is preferred if younger students DO NOT write out their own bags as it makes it more difficult for volunteers to read)
 - Correct change in the bag would be *really* appreciated however, if you require change it will be given to your child
 - If you have included the tuckshop money in a sibling's order bag would you please advise of this on all tuckshop bags
 - Orders are to be placed in the class tuckshop box on Friday mornings
 - Hot food is available for first break only
 - Ice-blocks are available second break only
- Ice-blocks need to be ordered on a tuckshop bag or envelope and handed in before school.
 - Orders for first break are delivered to each designated eating area
 - Students who have orders for second break are responsible for collecting their own orders from the tuckshop

The tuckshop requires parent volunteers to help it run. If you are able to help out in the tuckshop from 9am – 11:30 am please contact Lorraine on 0407529630 and keep your eye out in the weekly newsletter.
